Instructor: Al Hunt – Caterpillar, Inc.

## \$125 CLASS FEE PLUS INSTITUTE REGISTRATION FEES (\$75)

This course is recommended for those who are responsible for the operation and maintenance of CAT Natural Gas Engines, or those wanting a better understanding of gas engine technology. This program thoroughly covers those designs, specifications, systems and adjustments that are unique to the Caterpillar G3300, G3400, G3500, and G3600 engine families.

### Including the following:

- Cooling Systems
- Lubrication Systems
- Fuel Systems
- Air Induction & Exhaust Systems
- Ignition Systems
- Emissions
- Engine Setup and Adjustments
- Service and Maintenance
- Overhaul Intervals
