

2012 Gas Compressor Institute

Exhibitor Directory Information

April 17 & 18, 2012

Dear Prospective Exhibitor:

We plan to include an Exhibitor Directory in the information packets given to each participant attending the Gas compressor Institute. This directory will include the location of your booth as well as a description your company.

Please take a few minutes to complete this form with the information you wish to have included in the directory about your company. Please mail or fax the form along with your booth application. We **must** receive it by **April 6, 2012**, to include you in the directory.

By providing this information to the attendees, they will be more aware of the type of products that are on display at the institute and will be better able to locate the booths that might be of interest to them or their company.

Thank you for your booth registration and company information. We look forward to seeing you at the Gas Compressor Institute.
